

# DYMO®

THE EASIER, THE BETTER

## LabelWriter 400

Capable of producing over 40 label styles and sizes, the LabelWriter 400 is the small, fast and functional label printer for everyday use. The DYMO label software integrates easily with most of your favorite software applications – to print labels for almost anything you can imagine: envelopes and packages, files, binders, videos, name badges, CDs, and even more. It even comes with add ins that let you prints directly from Microsoft® Word, WordPerfect®, Outlook®, QuickBooks®, ACT!® and others with a click of a button. Prints labels up to 2-1/2" wide (56 mm) in less than two seconds, up to 40 labels per minute.

## Features & Benefits

- Eliminates the hassle of printing labels with a standard office printer.
- Direct thermal printing means you never change a ribbon, toner or ink cartridges. The only supplies you ever need are the labels.
- High resolution printing means crisp text, graphics, photos and bar codes.
- Includes easy to use DYMO Label Software that makes it simple to design labels and manage address books.
- Includes add-ins for instant printing from Microsoft Word, Outlook, QuickBooks, ACT!, Goldmine, Palm Desktop version 4 or later, WordPerfect® and more. LabelWriter also prints from other programs through standard print drivers.
- Easy to share over your Windows or Apple Macintosh network.
