

DYMO

THE EASIER, THE BETTER

LabelPoint 150

This portable professional makes its home wherever busy people need to get organized. Its rugged design and versatility are well suited for labeling file folders, binders, binder tabs, diskettes, hanging folders, even gardening items like blank stakes. Key features include a memory function for saving frequently-used labels, horizontal and vertical printing, as well as a range of symbols and background effects. Prints up to two lines in a label width of: 1/2" (12 mm) D1-tape.

Features & Benefits

- Last three labels and 100-character memory – no need to re-enter message information.
- Multiple-copies function for instant reprinting of repetitive labels.
- Color-coded ABC keyboard for quick entry of label messages.
- 13-character display has print preview for editing before you print.
- Two-line printing.
- Easy-to-read Arial font in 6 sizes.
- Horizontal, vertical and mirror printing.
- Adds emphasis with bold, outline, italics, shadows, underline, box and symbols.
- Thermal transfer print technology needs no expensive refills.
- Easy-to-peel split-back tape.

Specifications

- Package contains: LP150, 1/2" wide x 3 meters black-on-white D1 Tape, instruction manual and warranty card.
- Uses 6 "AAA" batteries (not included).
- Weighs approximately 256 gms
